TASTING NOTES

With its light yellow hue and slightly golden tints, Immémorial discloses an intense and complex nose, ushering in floral notes (linden), followed by a succession of aromas of yellow-fleshed fruit such as peaches and mirabelles.

Fine, elegant and slightly creamy, Immémorial is a lovely ethereal wine. On the palate, it develops powerful and complex notes of fruit, hazelnuts and roasted almonds. The freshness is prolonged on the finish with tangy and slightly lemony overtones. This is another fine Burgundy wine whose great cellar-ageing potential results in a very finely-crafted Chardonnay.
